THE ARC OF THE TRIANGLE TO HOST ANNUAL ‘SPOOKTACULAR’

RALEIGH, N.C. – The Arc of the Triangle will host its annual Halloween ‘Spooktacular’ on Monday, October 28, 2019 from 5:30 p.m. to 8 p.m at Marbles Kids Museum. This event is designed to give kids with special needs and their families a calm environment to partake in Halloween traditions such as trick-or-treating.

Jennifer Pfaltzgraff, executive director of The Arc, said, “It is a chance to play in the museum when it is quieter and calmer and also to connect with local organizations and learn more about what resources they offer.”

The Arc has put on numerous community events for those with special needs, including Family Fun Nights every other month and ‘Respect the Space’ programs at grade schools. The Arc aims to help those with disabilities and educate others about disabilities.

The Arc was founded in the 1950s with the mission to support children and adults with intellectual and/or developmental disabilities in the achievement of their personal goals and dreams in their community through partnership and advocacy. The organization has previously partnered with other organizations such as Meals on Wheels. The Arc of the Triangle is based out of Raleigh, N.C.
